Mission: The purpose of Scandinavia SIG is to gather information about resources on Jewish genealogy and Jewish life and history in Scandinavia, and to make it available online to those who are interested. Scandinavia SIG is now a forum for researchers with Jewish roots in Scandinavia (Finland, Norway, Sweden and Denmark) and also in former Danish colonies and protectorates: Schleswig-Holstein, Guinea (on the Gold Coast of Africa), Tranquebar, the Danish West Indies, (now the U.S. Virgin Islands), the Faroe Islands, Iceland and Greenland.
