"Researching Your Relatives That Came Through Ellis Island."

Most Jews have an ancestor who entered the United States through New York's Ellis Island. Despite what our grandparents told us- their names were not changed at Ellis Island—learn why! See how the ships' manifests changed over time with additions of genealogically relevant information. Learn how to search for your ancestors on internet sites related to their immigration.

The Jewish Genealogical Society of the Conejo Valley and Ventura County (JGSCV), a newly-formed group, will hold its first general meeting, co-sponsored with Temple Adat Elohim.

**There is no charge to attend the meeting.
Anyone may join JGSCV.**
